Commissioner for Patents

The timely submission under 37 CFR 1.129(a) filed on May 2, 2005 is not fully responsive to the prior Office Action because applicant did not elect a specific species within the elected Group I. Specifically, applicant needs to elect a species from Species I and Species II as indicated in Restriction requirement mailed April 19, 2005. Since the submission appears to be a bona fide attempt to provide a complete reply to the prior Office Action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office Action. This time period may be extended pursuant to 37 CFR 1.136(a).
